WHO WE ARE

We are the Mothers, the only power can transform ourselves, also our communities and the world around us and proud members of Mavericks Momz, a mothers led Mothers welfare club empowered to excavate internal talents and abilities of every mother to create better world. Mavericks Momz is a leadership development initiative, making Mothers to be leaders in the challenge for better tomorrow.

Mavericks Momz with wonders was initiated by the Founder Director of Mavericks Garden Preschools and MAVGAR Education Private Limited, Praveen kumar S. and handed over to the mothers of Mavericks Garden kids.

Meet our TEAM

WHAT WE DO

Mavericks Momz provides regular leadership training and offers several opportunities to Mothers broaden their social impact skill set, benefit from a place to tell their stories & suggestions, and act for social moral.

Through regular development training, Mavericks Momz gives every mother the resources and platform to demonstrate their abilities on any social change wherever they are. Empowering mothers all around the world will protect our Legacy.

Changes should come from powerful minds!

When Mothers decide, we the world follow.

Events

WHY WE NEED

As the most minerals of the planet exists deeper down the ground, the more powers we need are buried deeper in the minds of mothers. Those should be mined out to create better future with

- Children's health and social welfare
- Childhood education
- Gender equality
- Harmless society for children to grow

Now, the world with new Issues needs new leaders and new solutions;

When Mothers decide, we the world follow

So it is needed a platform says a club – mother centered non-profit organization where they can propose and act with social morale.

WHEN WE CAN

Mavericks Momz club, a well-balanced composition of leisure and social attentive assemblies. Momz can meet out twice in a month formally and on call of notice habitually.

Mavericks Momz is not just a group or club, instead a world revolves with different time and gravity of attraction, where mothers unleash their 27 categories of emotions and show how they blend together.

When Mothers decide, we the world follow

WHERE WE WORK

Anywhere needed, as we the humans made our world virtual and small there are no boundaries to limit.

Mavericks Momz may meet at any place where they organized an event or a social movement. Officially we do have an address to contact and gather.
